January 18, Vol. 4-2 1964

ARE WE SUFFICIENTLY PROTECTED? *N.H.V.*

At the Council meeting this week a recommendation was heard to increase the number of men at the local R.C.M.P. detachment by 2 — that is, in April 1965. A year ago, an increase of 2 was applied for, and while one was granted, one was held in abeyance, to be available immediately if required. According to Staff Sgt. W. F. Murray, it is the policy of the R.C.M.P. to staff a detachment at the ratio of one man per thousand population. Our estimated population right now is 8,000. It would seem we should have a staff of 8 men at our local detachment. However, we have 5. But Staff Sgt. Murray, Edmonton Subdivision N.C.O., feels the detachment is adequately staffed — something of a contradiction to R.C.M.P. policy.

In all likelihood, the increase of 2 applied for, for 1965, will in reality be as before, one granted and one in abeyance, and by 1965 we'll probably boast a population of 10,000.

Today the detachment is understaffed by 3 and in 1965, perhaps by 4.

From 5 p.m. to 1 a.m. and from 1 a.m. to 9:30 a.m., only one man is on duty. If this man is called out, only a recording gives service to anyone who calls in. Service via the Edmonton office is readily available, but in an emergency, is this adequate?

The men in our local detachment work a 5 day week. And under certain circumstances, sometimes work 7 days a week. These men, though indirectly, are Town employees. All our other employees work a 5 day week. Why not the R.C.M.P.?

The R.C.M.P. ranks about 14th down in the pay scale of various police forces in Canada. They are hardly well paid, should they be overworked as well? R.C.M.P. men working in offices in the larger cities such as Edmonton work a 5 day week. Why should those in detachment not have equal consideration? We, as a Town contracting the services of the R.C.M.P. have absolutely no say in salaries. We can, however, see that our detachment is adequately staffed now and in 1965, and that the men serving there enjoy the same 5 day work week as the other town employees. Not in the least secondary is ensuring that our Town is well served and protected.

CONSTRUCTIVE CO-OPERATION *N.J.N.*

The fact that the Public School Board and the Separate School Board have found a way to solve the problems regarding school sites in Sturgeon Heights and Grandin Park, is of great importance for the town of St. Albert. Pessimists who said that this could never be solved, were wrong. Mayor Veness, who acted as co-ordinator between the school boards, deserves much credit.

We hope that the school boards will continue this fine constructive co-operation which will assure St. Albert a bright future in the educational field.

Council met for their first meeting of the New Year on Monday, January 13th. Cpl Lyndon of the R.C.M.P. detachment reported for the month of December. Staff Sgt. W. F. Murray, Edmonton Sub Division Patrol Officer, was present to discuss future requirements in local detachment staff. He recommended that an increase of 2 men be applied for, bringing the staff to 8. This increase would take effect in April of 1965. Council agreed with his recommendation.

Council appointed a new Town Engineer, Raymond Loch. Mr. Loch is a graduate civil engineer of the U. of A. and has attended the U. of Sask. for mechanical engineering. He has had several years' experience in planning and development. Mr. Loch will commence duties January 16 1964.

The Fire Chief's report for the month of December was received. Chief Tetarenko was present and brought to Council's attention, the hazard caused by parking on both sides of McKenny Avenue, particular

ly in the vicinity of the Curling Rink. Councillor Stewart moved that the traffic by-law be amended to prohibit parking on the south side of McKenny Avenue from Grandin Road to Gresham Blvd. Chief Tetarenko also recommended amendments to the Fire Prevention By-law. Mr. Gee will study the by-law and report back to Council's next meeting. The frequent wrong number calls being received by the Fire Department volunteers led to the Chief's request that the number be changed to four identical digits, probably 597-7777. The town staff will arrange this change with A.G.T. and telephone and directory tickets will be sent out with water bills.

Council re-appointed Chief Tetarenko as Town Safety Supervisor for 1964. The Fire Dept. 'limited available volunteer' problem was discussed, and Senior Administrator, Mr. Gee, will study the situation and offer recommendations to Council.

The Building Inspector's report for December, 1963 was received. Permits were issued for 26 family dwellings value \$291,000., 1 commercial at \$43,000., 1 industrial at \$150,000, and 1 addition

\$4,000. for a total of approximately \$488,000. \$965. in permit fees was received in December 1963.

Building Inspector, Mr. Roberts, also submitted a summary for 1963.

The Town's industrial development was discussed by Council at great length. All Councillors agree that it's time to 'get out and beat the bushes' to encourage more industry in St. Albert. A Steering committee to study the formation and duties of an industrial development was formed. Councillors Fowler, Powell and Mayor Veness will make up this committee, and are to report their findings at Council's first meeting in February. Due to an extremely heavy agenda, Council adjourned and reconvened Tuesday, Jan. 14. School Sites Grandin Park & Sturgeon Hts Council resolved to accept the recommendation of the School Board Chairman, Mr. Lee and Mr. Harvey, and the Mayor, Mr. Veness, that a draft has to be drawn up by the Senior Administrator outlining the details and that this draft will return to Council for study and approval. Mr. Lee pointed out that a definite decision must be made by February 1st, because the Public School Board wants to have their new school in the Grandin Park area ready before the new school year. About \$40,000 will be involved in land exchange expenditure for the town. The Municipal Inspector's report was received, though Council found several points of debate and responded accordingly.

(Council continued on after our press deadline and we will report the balance of Council notes next week.)

SERVICE OF WITNESS AND PRAYER FOR CHRISTIAN UNITY

A "Service of Witness and Prayer for Christian Unity" will be held on Sunday evening, January 19, in St. Albert United Church. This service is being shared by the members of the Canadian Council of Churches across Canada. The member churches in the Council are The Anglican Church of Canada, The Baptist Federation of Canada, The Churches of Christ (Disciples), The Evangelical United Brethren Church, The Greek Orthodox Church, The Presbyterian Church in Canada, The Reformed Episcopal Church, The Russian Orthodox Greek Catholic Church, The Salvation Army, The Society of Friends, and the United Church of Canada. Affiliated members are the National Councils of the I.M.C.A. and I.C.C.A. and The Student Christian Movement of Canada and, "in friendly association", the United Lutheran Church in America. The service in St. Albert will be shared in by the Anglican, Baptist, Pentecostal, Presbyterian and United Church congregations. The service will be conducted by Rev. J. Bigelow (Presbyterian), Rev. C. Dawkins (Anglican), Rev. J. Joly (Baptist), Rev. H. Onishenko (Pentecostal) and Rev. Dr. E.B. Schwarz (United Church).

The Choir of the United Church, led by Mrs. P. Upright, will be in attendance. This is the first time that the congregations of the Protestant Churches have held a service of this nature in St. Albert. Everyone is invited. Coffee will be served by the U.C.W. in the lower hall, following the service.

OPEN HOUSE

Many citizens enjoyed the Third Annual Open House at the Town Hall last Sunday January 12. Much interest was shown in the new Fire Hall where our proud Fire Department staff showed their new building and equipment. This Third Open House was the most successful to date. The attendance was much larger than previous years.

UNITED CHURCH

THEIR REHEARSING FOR Lent

Why wait for spring? Now! If you've been thinking of joining the United Church Choir, this very Thursday would be a most appropriate time. Last week rehearsal began on the choir's Lenten theme: "The Temptations of Christ" by Eric Thiman. Why not plan to join us and learn this work, each Thursday at 8:00 p.m. at the church.

Rev. G. Jevrier, Chalmers, Rev. Louis Morin, St. Albert, Rev. J. P. Cloutier, St. Albert, and Rev. G. Charette, St. Albert, are saving the visits of the Visitation. Please phone 599-6158 to make arrangements for the most convenient time for you. There will be a Retreat for ladies on January 21st to 23rd. Please contact Mrs. Lachapelle at 599-7555.

Scores not yet available. A remarkable thing happened in this league. The Quintal rink made their second 7-ender in this competition. The first was made November 27, 1963 and the second was on January 8, 1964.

The St. Albert Ladies' City and Country Bonspiel will be held February 5, 6, and 7. Send entries with entry fee of \$16. per rink, to T. Taylor, Box 1442, St. Albert. Entries close February 1st. A banquet is included in the entry fee. There will also be a raffle for a party percolator.

For further information phone T. Taylor 599-7367 or A. Hauptman 599-7072.

ST. ALBERT BRIDGE CLUB

The Annual General Meeting of the St. Albert Bridge Club was held on Sunday, January 12, with twenty members present. Mr. Ahronson read the new Constitution which was approved in principle.

The Director, Mr. Metelenbos, followed with his report and again impressed on all to try to get more people interested in joining the club.

The following were elected as officers for 1964: President Mr. Batcheller, vice president Mr. Dalman, secretary Mr. Haselgruber, treasurer Mr. Katar, executive members Mr. Ahronson, Mr. Dalphond Mr. Hodge.

As the last item on the agenda, it was debated whether or not to join the A.C.B.L. This was tabled for the next annual general meeting. After the adjournment of the meeting, eighteen hands of interesting bridge were played. We would like to thank the officer of 1963: president Mr. Ahronson, secretary Mrs. Holman and treasurer Mrs. Proctor for a job well done. We also wish to thank the Director, Mr. Metelenbos, through whose efforts and knowledge in the techniques of duplicate bridge we carried through the year without any difficulties, and for the space made available in the St. Albert Gazette. Next Sunday will be the first session of the Ladies' and Men's Pairs Club Championships.

CHERCHEZ LA FEMME

by Merle Vacirca

GUEST COLUMNIST

I will be away visiting in Italy during February, March and April, and in my absence, my good friend JoAnne Peterson will take over Chercchez la Femme. I know you will extend to her all the help you have to be in the past. So put down her number and after February 1st, report club, social and feature news to JoAnne Peterson, I believe from phone 599-6780. Also 'Rose of the Week' suggestions, speaking of the 'Rose', the suggestions for recipients have been very slow - considering the organizations existing and wonderful work accomplished. Surely there are dozens of ladies you know who should be thanked via 'Rose of the Week'. Send us her name and the details of her community work, including a few personal insights and where possible, a photograph. So often a small thank you from us who benefit so much from their efforts, means so much.
